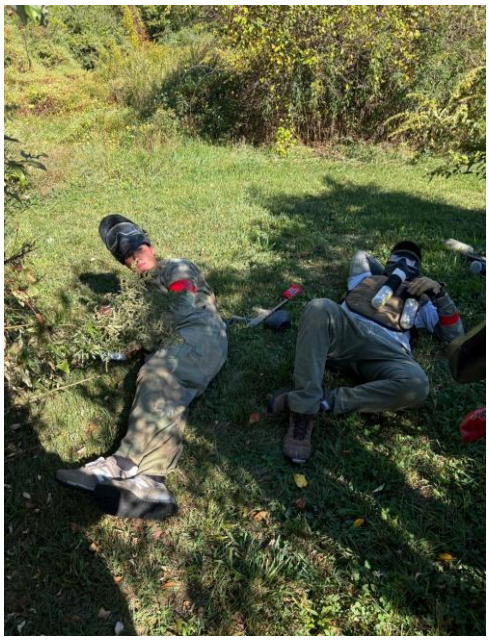
What Has Been Happening in Family Ministries?

Family Ministry is not a program or set of programs! It is a broad, congregational ministry that happens every week in a myriad of ways, not only through particular programs and explicit curricula but also through the implicit curricula of everything we do and how we do it together as a community and the null curricula of everything we don't do. It is relational and congregation-wide. ***You*** **are a part of family ministry at the Unitarian Universalist Congregation of Danbury.**

That said, if you aren't involved in any of the programs we offer as a *part* of Family Ministry, consider reaching out to Rev. Sierra-Marie at dfm@uudanbury.org and getting involved. We are staffed part-time. These programs happen only because the congregation makes them happen! Here are some of our community highlights from this year:

Though it was rainy and windy, we still had a number of visitors come to our annual Fall Family Fun Fair!

The Senior High Youth Group has gone on a number of adventures together, including not only social events such as a day of paintball and a trip to the Blaze Jack-O-Lantern festival, but a trip to visit one of our religious neighbors, the Center for Meditation and Insight that meets in our former location, the Barn.



And of course we had a blast at our annual Trunk or Treat, a day on which the kids also started getting ready for the Christmas pageant.
